# PUBLIC WORKS EAST YARDS COMPLEX

Terracon Development Ltd. in a joint-venture with Ernst Hansch Construction Ltd. was awarded the project to build the \$49 million Public Works East Yards Complex. The design-build project consisted of five buildings on 44 acres on the former City of Winnipeg inner city landfill site.

The initial plans and specifications were to have the new complex rated as LEED silver. The joint-venture was able to achieve a LEED GOLD rating with no additional costs.

Terracon Development Ltd. and Ernst Hansch Construction Ltd. began working on the project design in February 2012, with construction beginning the spring of 2012. This joint-venture had to coordinate and contract eight design consultants and over 50 trades to complete the project. Substantial completion was done in the fall of 2012 and in June 2013 the project was completed and finished three months ahead of schedule.

## WE ARE NOW TERRACON.CO

We felt our website address, [terracondevelopment.com](http://terracondevelopment.com) was too long, and it was often misspelled. The result, [terracon.co](http://terracon.co) is much shorter and easier to spell. We have now transitioned over to this website address.

### THE KEY BENEFITS of .co:

- It's Memorable: For many, the two letters .co are recognized as meaning company or corporation across the globe.
- It's Short: With an increasing number of people web browsing on mobile devices, the need for short and memorable web addresses has never been so important.

Please visit our website at our new address, [terracon.co](http://terracon.co), and remember to update all your Terracon email addresses to reflect our new domain name.
