BUILDING FIFTEEN

TUXEDO BUSINESS PARK

Terracon Development Ltd. is Winnipeg's exclusive developer of planned business communities. For over 50 years, we have designed our buildings around award-winning landscaping and lakes, finding the perfect balance between work, life, and play within our business parks.

We're your landlord and construction manager, meaning we can get you into one of our multi-tenant flex space buildings on time and on budget.

With our unique approach, Terracon's design and build team is able to avoid difficulties often encountered in construction projects because we know exactly where every beam, pipe, and wire is.
